

Lesson: Solutions for Plastic Pollution  
Bonus Activity: Letter writing template

Here you have a letter writing template that you can use to write a specific plastic pollution problem to a stakeholder.

This is only a template, you can create and add as much information as you think is necessary!

Date: \_\_\_\_\_

Dear \_\_\_\_\_ <Group Name>,

My name is \_\_\_\_\_ and I am an elementary school student at \_\_\_\_\_.  
I am writing to you because I am concerned about \_\_\_\_\_. I am concerned because \_\_\_\_\_ <Why are you concerned about plastic pollution? E.g. plastic is polluting the environment/plastic is harmful to animals/Canada should be a leader in environmental issues/another reason> \_\_\_\_\_. I am hoping you can \_\_\_\_\_ <propose better policies to reduce plastic pollution/encourage use of more environmentally-friendly sustainable products instead of plastics/other call to action> \_\_\_\_\_. I would appreciate hearing back from you with your plans. Thank you!

Sincerely,  
<Your name>
